

Attention Ladies... We invite you to come and play golf with the *Fairfield Glade Women's 18 Hole League*. The league (which has over 100 players and has existed for over 50+ years) is open to all women of all levels of play. Members are flighted by their handicap and can choose which tee box to play from; red, hybrid or green tees.

Game play is on Tuesday mornings (7:30 a.m. shotgun) from April 29th - October 7th, rotating each week among all the beautiful courses in Fairfield Glade. The league plays both individual and team games weekly with five flights paying out winnings and they play by USGA rules.

Best of all, it is a great way to meet other women golfers and have fun!
